

GeronCAS

2020

Circuits and Systems for Older Adults Well-being

Virtual Workshop

*10TH December 2020 (Thursday)
(GMT+8) 2pm – 5pm

**Post APCCAS 2020 event*

Keynote

Prof. Dr. Tan Maw Pin
University of Malaya, Malaysia

Forum

**How Circuits and Systems
Fit in Precision Ageing,
Empowering Older Adults
Towards Successful
Ageing**

Lectures

Dr. Mayumi Nomura
Healthcare Research Inc., Japan

Prof. Dr. Yehea Ismail, IEEE Fellow
American University in Cairo, Egypt

Dr. Tsukasa Funane
Hitachi Ltd., Japan

Prof. Dr. Esther Gunaseli M. Ebenezer
UniKL Royal College of Medicine Perak, Malaysia

Prof. Dr. Yeh-Liang Hsu
Yuan Ze University, Taiwan

Assoc. Prof. Mohammad Al-Amri
Cardiff University, United Kingdom

1. CPD hours^a and e-cert will be given.
2. First 15 registrants will receive free 2021 IEEE CASS membership^b.

^a subject to MMA and BEM approval

^b IEEE registration are not included and must be non-CASS member

Registration link:
